NO. 154 S. 2018

**SUGGESTED SCHEDULE OF SENIOR HIGH SCHOOL SUBJECTS IN GRADE 11**

**To: Assistant Schools Division Superintendents  
Division Chiefs  
Education Program Supervisors  
Public Schools District Supervisors  
Heads of Public Senior High Schools**

1. Reports regarding cases of some senior high school students who encountered problems after they decided to transfer from one track/strand to another, whether in same school or another, have reached this office. Accordingly, concerned students were forced by circumstances to extend their senior high school years to comply with all the required subjects in a specific track/strand.
2. To minimize encounters of similar problem/difficulty and with due respect to academic freedom, this division is recommending a guide that heads of senior high schools can use as they prepare their respective class program.
3. The guide is hereby attached as Enclosure 1.
4. Wide and immediate dissemination of this memorandum is highly enjoined.
